To Whom It May Concern,

I have worked over the last 2 years with AIREKO. They successfully bid and were awarded our New Store in San Juan, Puerto Rico, a 100,000 sq. ft. Store with high-end luxury interior finishes. They took the building out of the ground and completed the Store on time and without any major budget issues. Their staff were "problem solvers" as opposed to "problem makers". I highly recommend their services and they are on our Bid List for all upcoming projects.

If you have any questions or require additional information, please feel free to contact me directly.

Sincerely,
